For: MAGNESIUM CHLORIDE-ALCOHOL  
CARRIER AND OLEFIN POLYMERIZATION  
CATALYST COMPONENTS MADE FROM  
THE SAME

Examiner: J. M. Brown

**REQUEST FOR REVISED NOTICE OF ALLOWABILITY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

A Notice of Allowance issued with respect to the referenced patent application on April 8, 2004. In reviewing the Notice of Allowability, the undersigned believes that an error was made in Paragraph 4. Specifically, the paragraph indicates that none of the certified copies of the priority document have been received. In fact, a certified copy was filed on September 19, 2001, and the filing receipt which issued in October 2001 recognizes the priority claim. Accordingly, it is believed that Paragraph 4 of the Notice of Allowability should indicate that all certified copies have been received.

It is therefore believed that a revised Notice of Allowability should be issued and such action is respectfully solicited.

Dated:

Respectfully submitted,

By

Joseph B. Lerch
